Management - Please write your views on the contact you have had with the management team and the relationship you have built with them :

Jose and Natyler are very good with been flexible to the needs of the school. They adapt to the needs on a day to day basis. Both of them have built positive relationships with key members of staff and know where they can go for clarification and support. They are supported by myself, ie all timetabling, adjustments, day to day expectations, induction procedures etc.

School View - Please leave any extra feedback you may have regarding the service you have received and the teacher (s) you have had within your school etc.

We are pleased to have worked with Natyler for a year and feel that she has fitted in well with our routines. The service that she has provided to us in her time here has been good and there has been no cause for concern. We are pleased to say the same for Jose, even though he has been with us on a short term basis. We feel that he understands the needs of our school and is particularly strong with behaviour management. As a result of the strong relationships with pupils and staff, we would like to keep them both for the upcoming academic year.
