Hi there-please see below

When I heard the news that my MFL teacher was going on maternity leave I was worried that I would find it difficult to cover the role. PPA cover Ltd made the process very easy. They were helpful from the onset, flexible and professional. We are very happy with our new MFL teacher and will definitely use PPA cover Ltd again in the future.

Dear Eleesa,

Thank you for allowing my colleague, Gemma Lane, to visit your school yesterday and conduct our observations on our PPA Staff member, Selene Martinez Ledesma. Gemma thoroughly enjoyed meeting the children and staff at your school.

Gemma has asked me to drop you an email as during her visit she let you know that we are currently updating our marketing and would like to update our school testimonial section. As a relatively new customer of PPA Cover we would be delighted if you would be happy to provide a brief quote regarding that service that you have received from us so far. We are more than happy if you would like your testimonial to be anonymous, please let me know if this is the case.

I thank you in advance for your assistance.

Kind Regards,

Kimberley Isherwood
